

## **Committee Member Planning Sheet**

**1) Read over the bill being presented to you-** Make sure that you fully understand the explanation of the bill as well as the reasons for the bill.

**2) Come up with questions to discuss during committee time-** Write any questions you have about the actual bill (i.e. what it does, why these sponsors believe in it, what will be the consequences if this is made into a law and it is broken), or about their reasoning behind it.
