

Countries of Origin

This page will describe the countries where your family originated. It will show maps of the areas, when parts of your family is thought to have immigrated to the US and possible reasons why they left their home country to come to America.

Check all that apply.

T	S	Exceptional	T	S	Proficient	T	S	Not Yet Proficient	T	S	Experiencing Difficulty
		Much time has been spent researching countries of origin			There is evidence of time spent researching countries of origin			Some evidence of time spent researching countries of origin			Not much evidence of time spent researching countries of origin
		Locations are accurately explained and include maps for visualization			Locations are explained and include maps for visualization			Locations are explained but maps may be missing			Locations lack explanation
		All counties of origin are explained in terms of why family members may have left, and when this most likely occurred			Most countries of origin are explained in terms of why family members may have left and when this most likely occurred			Some countries are explained in terms of why family members left and when this occurred			Countries are not explained in terms of why family left and when this occurred
		Page is very neatly and creatively put together.			Page is neat and creative.			Page is somewhat neat and creative.			Page is disorganized and does not accurately represent the countries of origin
