

Dear Teachers,

On Monday, October 29th Ms.Hutt's 8th grade social studies class is planning to set up a Presidential Mock Election. This is an optional activity for all classes. We would like to have all classes vote at a time that works for you. Each class will have fifteen minutes to vote. We feel it is exceptional that students should be able to vote, too. So, this is our first chance! Thank you for your participation with Ms.Hutt's 8th grade social studies class.

Please sign up in a time block that works best with your schedule. Remember, only one class per time block, first come first serve. This schedule will be posted in the teachers room. Sign up if you're interested.
