

How often did you use your iPad during social studies and language arts this year?

I used my iPad usually every day or every other day in social studies and language arts this year.

Describe some of the apps we have used this year and how they were helpful for you.

Some of the apps we have used are Google Docs, Black History, Hudson Museum, and eBackpack. These apps were very helpful to me because Google Docs and eBackpack allowed me to share my work with others and Black History + Hudson Museum helped give me the information that I needed for my projects.

Did the iPad help to increase your organization? Explain how.

The iPad did help to increase my organization because I could have all of my assignments on one app and be able to turn them in efficiently and effectively.

Did the iPad help with your individual needs as a student? Explain how.

I think it did help me with my individual needs because it allowed me to be organized, give me the due dates of all of my assignments, and have me access to all of the information that I needed.

Did the iPad help to engage you as a student? Explain how.

I think the iPad did help to engage me as a student because with the iPad, you can learn different types of information in very different ways. Whether it's watching a video, reading a report, looking at a slideshow, etc. I think it really helped me learn valuable information.
